

Horse Stall Reservation Information

Stalls at Goodells are available on a "first come" basis. If you would like to reserve a stall/stalls for the shows, please contact Sue Jones at (810) 385-4889 or suejonesffa@yahoo.com. You can specify which of the 2 barns you prefer. You will also need to tell her if you are bringing any stallions. An empty stall next to a stallion is required but will not be charged for unless used as a tack stall.

The following is a summary of Park & Recreation rules:

- The grounds will be opened on the day before the show at 3:00 and after.
- No one will be allowed to park behind the barns or the concession stand in the fire lane. Your vehicle will be towed if it is parked there!
- No one is allowed to enter the barns until 3:00 the day before the show. If you arrive earlier, you cannot unload and must wait in the approved horse trailer parking area in the west side of the parking lot.
- All trailers must be parked in the west lot off the blacktop unless your trailer is used as a camper.
- As soon as you unload, you must move your trailers--there are no exceptions. Parks and Rec. will have your vehicle towed.
- Horses are to stay off the pavement except at the Horse Crossing and in the lanes to the barns from the arena. They CANNOT stand on the pavement at the top of the hill, at the concession stand etc.
- Horses cannot be ridden up and down the hill nor to and from the parking lot.

Please follow the rules as they appear. The board is requiring your support for minimal hassles.

The following are the stall/trailer fees due when paying for your classes:

- \$25 for each horse stall and for each tack stall for individual shows
- \$10 to show out of a trailer for individual shows, horses **MUST** cross from the lot at the Horse Crossing near the entrance to the park, walking behind the Red Barn to the arenas.
- \$15 to camp overnight
- If you clean out your own stall, you will get \$5 back

Please limit yourself to 1 bale of straw/1 bag of shavings per stall.

If you need to use more than 1 bale/bag, please clean out your own stall.
